

## **Product warranty periods**

### ***1.1 Introduction***

---

This document describes the warranty periods for TC Group International manufactured and distributed brands.

The warranty periods apply only:

- To service partners within the EU,
- To products bought from dealers within the EU,
- With a valid proof of purchase from an authorized dealer.

### ***1.2 Dynaudio Professional***

---

All products: 2 years.

### ***1.3 Lab.gruppen***

---

FP+ / PLM / C-Series: 5 years.

All other products: 3 years.

### ***1.4 Lake***

---

All products: 3 years.

### ***1.5 Tannoy***

---

Drivers & passive electronics: 5 years

Active electronics: 2 years

The 5 year warranty on drivers also applies to drivers in active speakers, though obviously not in situations where the active electronics developed a fault, which caused the driver to fail.

### ***1.6 TC Electronic***

---

D22 / DB2 / DB4 / DB8 / DBMax / LM2 / P2: 5 years.

All other products: 2 years.

## ***1.7 TC Helicon***

---

All products: 2 years.

## ***1.8 Updates***

---

This document may be updated and further information added, in the future.
