Service Note		
Product	Description:	Service note no.
G-System	**Display shows backlight only**	**T077**

Reason for note:

Unfortunatly we discovered that in some cases a G-system, After powering on will only show the backlight.

Actions:

1. Reload the software, if this doesn't work the 1st time then try again.
2. Might this not work please take look at the service note "Software upload error".

IMPORTANT:

This replacement should only be carried out by skilled technicians.
