Service Note

Product	Description:	Service note no.
TC2290	**Updating TC2290 Main Board to SA02-Option:**	**706 10 T072**

IMPORTANT: When having 2290's with s.no. lower than 512020 for repair/service please check if this correction is made.

In connection with updating to SA02, the only thing you have to do is to update your 2290 according to the service notes mentioned below:

1: Service note concerning transistor Q101/R608.   (sheet 105/date 881123)
2: Service note concerning R527.   (sheet 102/date 880118)
3: Service note concerning 400 mAT fuses.   (sheet 101/date 880824)

If you have run out of spare parts for this update or you need the documentation for these updates, please contact T.C. Electronic, Denmark.
