

Service Note		
Product	Description:	Service note no.
VoiceLive2	Factory settings and UI test	SNo-T0114

Reason for note:

Advice how to make a factory presets reset and / or a factory system settings reset together with Complete Factory Initialization and UI test

Actions:

To perform a factory presets reset hold down **"Tone"**, **"Pitch"**, and **"Guitar FX"** during power up.

To perform factory system settings reset hold down **"Setup"**, **"Wizard"**, and **"Store"** during power up.

To perform a Complete Factory Initialization: Hold down **"Tone"**, **"Pitch"**, **"Guitar FX"** and **"Home"** on power up.

To perform a UI Test: Hold down **"Tone"** and **"Setup"** on power up

To perform a UI Test (Slow): Hold down **"Tone"** and **"Pitch"** on power up
